Headteacher Awards

Awarded Friday 5th December

Reception Class

This week Max was awarded a Headteacher Award for his creativity and imaginative play in his learning time activities. He is always so keen to make different things out of paper, bricks and playdough. As well as this he always enjoys making us items of food and drink in the home corner. The second award went to Posie. Since returning to school she has been working really hard in her Phonics lessons. She is learning her Set 1 sounds and is also trying really hard to form her letters to match the sounds.

Year 1

Whole Class award, for amazing behaviour, manners and kindness on our brilliant trip to see Santa at Bodmin Steam Railway

Year 2

Year 2 have been busy with our Christmas Play rehearsals and finishing off our Geography all about Hot and Cold places. Did you know that Antarctica is classified as a desert as it has very little rain or snow there?

Awards this week go to Lillie-Ann for being an excellent Math teacher by showing the class how to add and carry ten in column addition. Holly is our other star student who has shown the class how to be ready to learn and therefore being an excellent role-model to the class.

Year 3

Headteacher awards last week went to Olivia P and Ruby. They both had a great week and worked hard in every lesson especially Maths. We were using column addition to add two three digit numbers with multiple exchanging. Both girls found it a little tricky to begin with but they both persevered and produced some great work presented very neatly. Well done to the both of you! Keep it up for next term.

Year 4

Evie, for being brilliant in Maths, being kind in the classroom and thriving while making our Christmas decorations. Skyla, for her brilliant attitude in school, being respectful to all and bringing her fun side to learning.

Year 5

Well done to all of Year 5! The projects you created for the Blackout Museum were spectacular.

Year 6

Harry, for great interest in his learning and listening well at all times, especially when we have been reading our class book. He has been really enjoying our book too. Ella, for her great writing and really trying hard this week. Her contribution to our PSHE lessons and her mature and interesting ideas have been really useful.

Food Hygiene Rating

Kitchen Superstars!

Our amazing kitchen team scored a perfect 5-star rating from the Food Standards Agency!

Huge well done to Kath and her team for keeping our meals not just delicious but also to a high standard.

Talk about cooking up success!

Congratulations.

Year 6 Visit To The Hollies

The Year 6 choir enjoyed a lovely visit to The Hollies on Wednesday, where they sang festive songs and read the Christmas Story and a Christmas poem to the residents to spread some Christmas cheer.

Christmas Dinner Day

Christmas Dinner Day

A huge festive cheer for Kath and her super assistant Danika, who managed to serve a whopping 150 Christmas dinners on Wednesday!

That meant juggling

- 9kg of carrots
- 25kg of Potatoes
- 4kg of Sprouts
- 5kg Peas
- 200 Stuffing balls
- 228 Cocktail sausages

The Hall was bursting with Christmas cheer, festive tunes filled the air, and Christmas jumpers were everywhere you looked. The children were treated like royalty as they were waited on by the Headteacher, class teacher and teaching assistants.

Lots of smiles and very full tummies from everyone.

Christmas Late Night Shop

Christmas Late Night Shop Event

Wow! Thank you to everyone who came along and supported our Christmas Late Night Shop Event.

We were blown away by the turnout and thoroughly enjoyed such a festive evening. A huge well done to our singers and ocarina players, who impressed us with all their wonderful talents and truly added to the festive atmosphere.

Thank you to the craft stall holders that came along to sell their items, we hope many of you found that special gift!

We raised an amazing **£855.20** for the school. Thank you to all the staff who helped organise the event, and our biggest thanks go to the parents for their continued support, from supporting our non uniform day to attending on the night.

Thank you

Congratulations

Congratulations to Ella for submitting the highest bid in our silent auction!

It's safe to say she was one happy girl!

Baby Bean is now happy in it's forever home.

Thank you to everyone that took part.

Year 3

Cave Painting

Year 3 had a fun afternoon recreating cave paintings whilst learning about the Stone Age. We learnt how Stone Age people communicated by drawing on walls. We recreated our own version of Cueva de las Manos (Cave of the Hands) in Santa Cruz, Argentina. We turned our tables onto their sides to represent painting on a cave wall. The children loved getting messy with the paint!

Christingle

The whole school had a lovely time creating Christingles for our church service. It was lovely to see the older children helping the younger members of our school.

EYFS & KS1 Christmas Performance.

Congratulations to all the children for putting on a superb performance.

We saw lots of talent and many happy parents, carers, grandparents and children!

Thank you to all the staff who worked so hard to put on the performance, and thank you to the parents for their continued support of both the school and the children

Autumn 2 2025

RED!

5 WAYS TO REDUCE SCREEN TIME

1. SET AN EXAMPLE

Children copy everything. Lead by example & keep your own screen time to a moderate level. This will prevent your child from feeling unfairly treated.

2. BAN SCREENS IN BEDROOMS

Removing screens from kids' rooms entirely is an easy way to both limit & monitor their screen time.

They will also be less likely to want screens in communal areas where there are other distractions.

3. MAKE IT COMMUNAL

Screen time doesn't have to be synonymous with isolation.

Incorporating 'Family Film Nights' into your week is an easy way of making technology more beneficial.

4. ENCOURAGE NEW HOBBIES

Coinciding a new hobby with a reduction in screen time will make it much easier to implement.

Once they become passionate about their new hobby, they'll forget their iPhone even exists at all.

5. NEGOTIATE

Strict rules and harsh changes rarely go wash well.

If you have older children, have a mature conversation with them before anything else.

Discuss your concerns & work together to come to a solution everyone is (more-or-less) happy with.
