### Year 2

Tommy for really focussing and contributing in phonics and impressing Mrs Austin with his super reading.

Emily- Mae for showing really focussed attention during shared reading and providing great ideas and suggestions related to our story.

### Year 3

Last week's Headteacher's awards went to Jacob and Memphis. They both had an amazing start to the summer term! Both came back to school with a fantastic learning attitude and were focussed in all lessons. In particular, Memphis understood very quickly what a causal conjunction was and used these in his writing. Jacob displayed good self-regulating behaviours and his hand was constantly up answering questions all week in many different lessons. Well done to both boys! Please keep it up for the rest of the summer term!

### Year 4

Bradley for giving 100% in swimming and following instructions with thought and care. This was awarded by the swimming instructors at Bodmin Leisure Centre. Keep up the great work, Bradley!

Harrison, again awarded by the swimming instructors for excellent assistance, helping fellow classmates during and representing Roche with pride.

Morgana for such a brilliant start to the summer term and great resilience in the pool.

### Year 5

Harley for showing a mature attitude towards his bikability. Well done Harley.

Well done to James for also showing great maturity with his bikability.

**Friends of Roche**

We need you! We are currently seeking volunteers to join our Friends of Roche group, which is dedicated to fundraising initiatives to benefit our school. The Friends of Roche School group plays a vital role in organising events and activities that foster community spirit.

Your involvement would not only contribute to the success of the activities but also make a positive impact on our children's education too. We currently have KS2 parents involved. However, we are desperately seeking some KS1 parents. If you have great ideas, organised and have some spare time please pop in to the office for more information.

Thank you

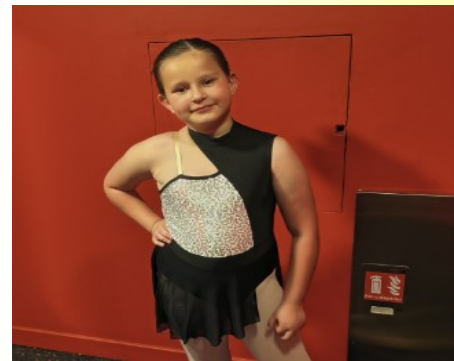

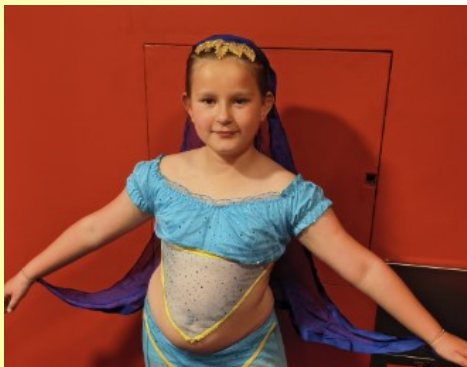

# Pictures From Home

WOW! Taylor and Aston were lucky enough to become Zoo keepers for the day at Last week end at Newquay Zoo. This is a fantastic opportunity and they would highly recommend it! They got to meet the animals behind the scenes. They learnt so much in a day and fully embraced the experience putting in 100% effort to all tasks.

We are very proud of you both.

Would your child enjoy this? Check it out on the Newquay Zoo Website.

Congratulations to Delilah who went to London at the week end. Delilah performed at Saddlers Well Theatre with her dance school. They performed in front of hundreds of people. Delilah thoroughly enjoys her dancing and puts in 100% percent.

Do you have some news to share? We love seeing your achievements outside of school! Please email them to the office

Year 5 have been reading Harry Potter The Philosopher's stone, and Miss Chamber's English group had to write a character description about Hagrid. So what better way to encourage this than for Hagrid to visit and sit in the 'hot seat' to answer all their questions.

Afterwards Hagrid went on a walk around the school and had photos taken by Liam in year 6. I think Liam was a bit star struck.

Thank you Liam for welcoming Hagrid and giving him a tour.
