## Headteacher Awards

### Awarded Friday 5th December

#### Reception Class

This week Teddy got a Headteacher's Award for following instructions better in the classroom. He also had a great trip at the Eden Project. He was engaged and enthusiastic. Remi also achieved a Headteacher's Award for fantastic handwriting! His letter formation is great! We are really impressed with how neat it is as well. Keep it up!

#### Year 1

Robin has tried really hard to keep her writing in between the lines, forming all of her letters correctly. Archie, for partitioning numbers to one hundred into tens and ones with great accuracy. Well done.

#### Year 2

This week, Rowan and Willow have really impressed me during our Maths lessons. We have been working on column addition. Both Willow and Rowan have worked so hard to master column addition. They have written the method in their books so neatly and have calculated all their totals correctly. Well done. Keep it up!

#### Year 3

Headteacher awards last week went to Kieron and Tommy. Tommy is an absolute superstar with his recall of times tables! He gets 40/40 on a daily basis during our precision Teach maths lesson. He is super quick with his responses and accurate. Well done Tommy! Congratulations also to Kieron who has had a great week in school. He has come into school every day with a smile on his face and settled into the routine of the day. He has then had a great learning attitude all day. It's been lovely to see Kieron. Keep it up!

#### Year 4

Bali, for a brilliant week, remembering some great facts about the Titanic and including them into his writing. Josie, for always displaying our school rules, showing positivity and putting a smile on all the Year 4 team's faces.

#### Year 5

Congratulations goes to three individuals, all for the same thing this week. In DT, we began a new unit on gears and pulleys. There were plenty of opportunities for the children to get frustrated and annoyed as they completed certain tasks. On the whole, the entire class coped brilliantly, but these three really showed a level of patience, determination and resilience that impressed me.

Well done Callum, Poppy and Riley Q.

#### Year 6

This weeks award goes to Josie M and Albee.

Josie M, created a fantastic dinosaur fact file and great contributions to lessons.

# BODMIN RAILWAY

On Tuesday, Reception and Year One were extremely lucky, and embarked on a magical steam train ride at the Bodmin Railway. They saw Santa and he even gave them some gifts.

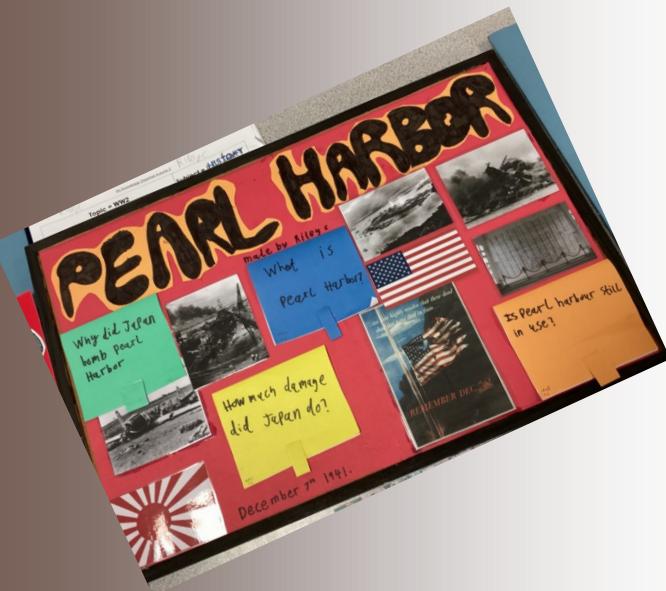

They were given gifts and had lunch on the train. It was a magical trip and the children all behaved beautifully. They all represented the school fantastically. Here's some photos of lots of happy children!

# BLACKOUT MUSEUM

Thank you so much to the Year 5s and their parents for supporting the annual Blackout Museum. This is always a really special part of the Year 5 curriculum and a topic that is talked about well after it has finished. The projects this year were spectacular! Here are just a few, but hopefully they will be on display during the Late Night Shopping event for you to admire up-close!
