Headteacher awards

Awarded 3rd October 2025

Reception Class

Matilda and Astrid got Headteacher Awards this week for great problem solving in Maths! They were also writing their numbers 0, 1 and 2 really clearly on their whiteboards. Well done girls and keep it up!

Year 1

Theo, for trying to come into school independently and being kind.

Trixi, for fantastic colouring and keeping within the lines in Art.

Year 2

Year 2 have been having fun with clay in Art. We have made a pinch pot and tile with a house design.

We have now written instructions for how to make a pinch pot and will independently write instructions on how to make a tile. My awards got to Dominic, for working really hard in all areas and trying his best. Luna, for coming in to school independently.

Year 3

Last week's Headteacher award went to Jaxx. It was World Mental Health Day on Friday and Jaxx represented this day brilliantly. Not only did he come into school wearing a fantastic upcycled homemade slogan sweatshirt, he was also able to talk eloquently on what Mental Health Day was and its meaning. He told the whole class the definition of "mental health" was how important it was to have good mental health. He was also able to link it to our 5 Ways of Wellbeing and our British Values. He sparked and lead a great class discussion on the subject It was lovely to hear him explain things in a clear child-friendly manner that engaged all the other children. Well done Jaxx! Congratulations also go to Janey who has been working so hard in Comprehension. She is reading all the texts very quickly and answering all the questions accurately.

Year 4

Josie, For an outstanding start to Year 4, consistently demonstrating our rules for life and a positive attitude in all areas. Lacie, For going above and beyond in DT, demonstrating outstanding sewing skills, supporting other and consistently showing kindness.

Year 5

Congratulations to Arwen and Morgana! Arwen has been a brilliant support when learning the class story and actions, and she retells it with gusto! Morgana had a brilliant day this week, despite having to process a lot of changes in timetable and adults. Well done both of you.

Year 6

Edward, for a brilliant effort and trying really hard with his writing this week. Frankie, for an excellent effort with her writing and really trying hard to use grammatical techniques.

Autumn Term Cup Award For Settling In

Reception

Reception's first cup of the year is going to Henry! Henry started in our class very shy, quiet and not really sure of what to do. 7 weeks later, he has made so much progress! His independence has improved and he has got much more involved in our learning time. Henry has started to retain some of his new Phonics sounds which we are really pleased with. He is now starting to build relationships with his adults and peers. Henry is more organised in class now and does not need as many reminders. We feel he has really settled into our class now and we cannot wait to see what he will learn and make progress with next. Well done Henry!

Year 1

Isla started year 1 being very quiet and unassuming, not really knowing what to expect. But, she soon settled into her new routine and showed what mature young lady she is. She has coped with all the new routines and has really began to come out of her shell as the half term has progressed. She has already shown me that she can be independent and has a good level of wanting to learn, showing me good listening skills, and consistency. Isla has also shown everyone that she is kind and caring and certainly knows how to follow the school rules, keep it up Isla. A great start to year 1.

Year 2

Archie, is new to our school and has settled in so well. He is polite, kind and is friends with everyone. Archie loves school and learning. He is a joy to teach and a very valued member of our class.

Year 3

Congratulations to Bethel for the settling in cup for Year 3! It was extremely hard to choose just one child as all of Year 3 have settled in amazingly and have had a great transition from KS1 to KS2. However, one person had a slightly different transition. Bethel moved to a new area, new house and a new school. She has settled into Roche school and Year 3 brilliantly. She comes into school every day with a smile on her face. She has an amazing learning attitude, always puts her hands up, participates in all class discussions and is fantastic at all sports! She is a superb role model and always follow the rules for life. She is a fantastic addition to Year 3. Welcome Bethel!

Year 4

Flynn, for having a wonderful start to Year 4, giving 100% in all subjects, following our rules for life and bringing a passion for learning. He has specifically demonstrated remarkable resilience during DT.

Year 5

Benjamin has coped so well with the move to Year 5 - a new classroom, a new routine and 4 new adults! But he has transitioned calmly, and matured fantastically to embrace the increased expectations that comes with being Year 5. It has been noticed that Benjamin is engaging with lessons, listening attentively and cracking on independently! Keep up the great attitude!

Year 6

The cup for settling in well in Autumn 1 in year 6 goes to Ariel. Ariel has had to move to a new county, a new village and a new school, which is really difficult. Ariel applied himself to his learning from the very first day; he always works hard and tries his best. Ariel always listens carefully and is willing to answer questions and contribute to lessons. Ariel interacts well with the other children and is always kind, polite and well behaved. It is a pleasure having him in our class.

Congratulations

Well done to these children for having 100% attendance in school this term.

Mrs Carlin

Today we said goodbye to Mrs Carlin as she embarks on her new adventure as Head of SEND at Cornwall College. Mrs Carlin has worked tirelessly over the years to support our children and families. She will be greatly missed and I'm sure you'll all join us in wishing her the best of luck in her new role. Cornwall College are very lucky to have you.

Thank you, Mrs Carlin, for everything you have done for us! Love from everyone here at Roche School.

Message From Mrs Carlin

I would like to say thank you to all the pupils and families I've had the privilege to work with over the past seven years.

It has been an honour to serve as your SENDCo and to support such incredible children and families. I've learnt so much from the young people I've supported and feel very fortunate to have been a part of their journeys.

Thank you to the staff team for their collaboration and support, and to the families for your trust, openness and partnership. It has been an absolute privilege to work alongside you all.

Though I'm moving on to a new chapter, I will take many fond memories with me. I wish you all success and happiness, and our paths may cross again in the future!

Love, Mrs Carlin xx"

Mrs Powell is very much looking forward to taking on the role of SENDCO.

Her email address to contact her about anything SEND related is sendco@roche.tpacademytrust.org.

Her SENDCO working days are Wednesday to Friday, she will respond to emails on those days. Any urgent messages not on those days can be emailed to reception@roche.tpacademytrust.org.
