Friday 6th February

Headteacher Awards Awarded Friday 6th February

Reception Class

This week Phoebe received an award for super independent maths! She was the first to finish her activity and it was super accurate. This shows she listened well and had a good understanding of the task.

The second award went to Henry. He has been working really hard in Phonics group and has made good progress. Super efforts Henry! Keep it up.

Year 1

Well done to the whole class for their fantastic creativity in designing their moving monsters this week. We are so proud of your hard work and imagination and can't wait to see the finished products!

Year 2

I have three awards this week for Keely, Tyler and Jessica.

Keely has worked so hard on her Maths this week, often independently without support. She is able to explain her understanding of multiplication as repeated addition. Well done Keely.

Tyler is always going that extra mile in class. He adds lots of detail to his work giving good explanations. He is great at giving suggestions and ideas on the carpet. Brilliant work Tyler.

Jessica has been really impressing me with her writing. She is showing what she has learnt in her writing and I can't wait to read her independent write. Well done Jessica.

Year 3

Last week's award went to Darcie and Leo. Darcie has been working really hard in her Phonics group this half term and all that hard work has paid off as she is moving up Phonics groups! Well done Darcie! Congratulations also to Leo who had a fantastic week. He always has a great learning attitude and he gave 100% in all of his lessons. Well done Leo, keep it up!

Year 4

Jake- for his engagement in computing and attitude towards his writing.

The whole class demonstrated resilience in their Art lessons by concentrating on the step-by-step process required to complete their work.

Year 5

Congratulations to Flo and Morgana. This week, they worked together in gymnastics, and the communication and teamwork was outstanding! Extra kudos goes to Flo for being so encouraging. Well done both

Year 6

Megan for always trying hard in lessons, particularly in Maths. Bea, for great writing in English and producing an excellent explanation text about crumbles.

Attendance

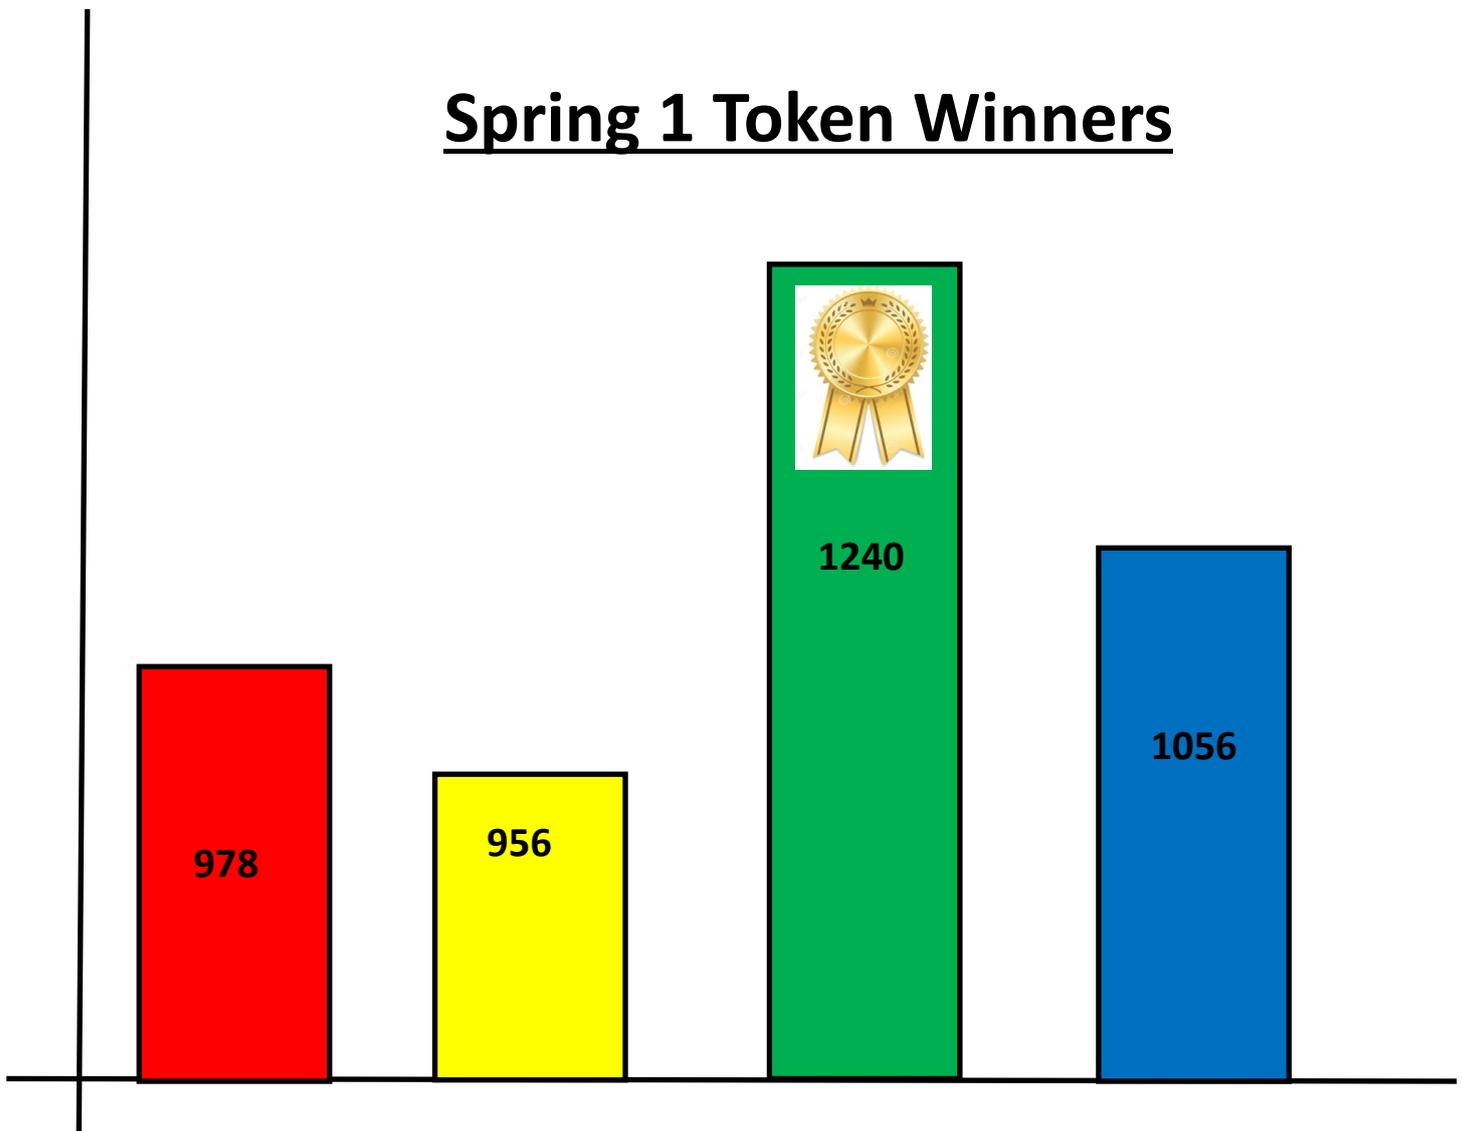

This week, The class with the winning attendance is
Year 2 Congratulations!

Reception	98.01%
Year 1	96.93%
Year 2	98.22%
Year 3	88.89%
Year 4	96.93%
Year 5	92.34%
Year 6	90.77%

Spring 1 Token Winners

Emily from Zoo Lab visited Reception class this week. She brought along some minibeasts for us to look at, learn about and even hold... if we wanted to! The children asked fantastic questions and named some minibeasts. They also spotted the imposter! Can you spot the imposter? Who isn't a minibeast? Why?

St Piran's Day

On Thursday 5th March we will be celebrating St Piran's Day the proper Cornish way, with pasties!

As we say in Cornwall "Proper job!"
Let's come together to celebrate and say "Gool Peran Lowen!"

(Happy St Piran's Day)

Or as the Cornish say, "Kernow bys vyken!"

Cornwall forever!

Come celebrate with us!

Aspens Menu Change

If you would like your child to enjoy a pasty lunch on Thursday 5th March day please select:

Main option (Chicken & sweetcorn Pie) for steak pasty chips and beans.

Vegetarian option (Carrot & stuffing plait) for Cheese and onion pasty with chips and beans.

Thank you

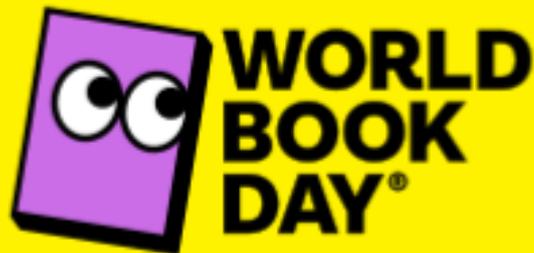

On 27th February 2026, we invite students to wear odd socks in support of people affected by Huntington's disease, and to pay £1.00 (link below), that will go towards the Huntington's Disease association.

<https://www.justgiving.com/>

This year, we will be celebrating World Book Day in school with an exciting activity that Miss Goatman has planned for the children.

There is nothing required from home, just come ready to enjoy the day.

Each child will receive a World Book Day token to take home.

Thank you for your support.

ROCK STEADY

On Wednesday, we were very fortunate to welcome a member of the Rocksteady team into school to deliver an exciting taster session of the music lessons available to our pupils.

The children were in great spirits, enthusiastically joining in with the songs, clapping along and some of them even trying out the instruments on offer for them to learn. It was wonderful to see so much excitement and confidence fill the School Hall.

The teachers even formed their very own band to perform for the children! We had Mrs Garratt, Mr Teasdale, and Miss Goatman on keyboard, Mrs Gardner on drums , Mrs Williams as the vocalist and Mr Walden on the electric guitar. I heard Mr Walden was itching to get up and play! Did you know he plays both drums and guitar? We may have a hidden rock star in our midst! I'm sure you've already heard all about it at home.

Information has been sent home regarding your child taking part in these lessons. This is a fantastic opportunity for children to learn a new skill during school time.

Please ensure you sign up if you would like your child to take part.

TPAT Super Orchestra!

On Tuesday 10th February, the very first TPAT Orchestra rehearsal took place at Helston Community College, bringing together 150 instrumentalists from 15 schools across Key Stage 2 to Key Stage 5 for an unforgettable day of music making. Ethan was very lucky to be chosen by Mrs Welch for his talent and love of music.

The day was led by professional musician, conductor, composer and arranger Patrick Bailey. Ethan had a fantastic time and enjoyed meeting new people while doing a hobby he thoroughly enjoys! Well done Ethan!

Frankie wade

Good Luck

Celebrating 21 wonderful years of dedication.

Today we say a heartfelt farewell to
Mrs Williams.

We wish you all the best with your next
venture. With all our love from the students
and staff at Roche School.

XXXX

Have a lovely week and we will see you on Monday 23rd February.

Reception Class Answer:

A snake is not classified as a “minibeast” because, in scientific terms, **minibeasts are defined as invertebrates (creatures without a backbone or spine)**, such as insects, spiders and worms. Snakes have bones!
