## Head Lice

We have had a few cases of head lice in school. A reminder that if your child has hair which can be tied back, it should be to help prevent the spread of lice from child to child.

Don't forget, if your child has head lice, not only should you treat your child, you need to wash bedding, towels and hairbrushes as lice can live on these items for up to a week.

Advice on how to treat head lice can be found here: <https://www.nhs.uk/conditions/head-lice-and-nits/>
