Special Mentions

- Reception:** This week in Reception we have been learning all about 2D Shapes, Benjamin was fantastic at naming them and finding them in our outdoor area. Sam worked brilliantly with his partner during our shape hunt and was able to name how many sides and corners the shapes had. Great work! We have also written our very own 'Rainbow Fish' stories, the children have worked really hard at these and all showed great determination and perseverance. Stella and Amelia's writing was beautiful, well done.
Another great week Reception!
- Year 1:** After a fabulous trip to Newquay Zoo, learning about the different animals and what types of eaters they were, I have chosen to whole class for representing their school in such a positive manner. Well done Year 1.
- Year 2:** This week, there are no individual special mentions as such as we have had a very busy week doing our special Year 2 booklets. This week the special mentions go to the whole class who have made me incredibly proud. They have all worked extremely hard and have done their best. Now for that last push to the end of term. Well done Year 2!
- Year 3:** What a busy week in Year 3! In English we have been writing our last independent writes, a diary entry as a character from the Firework Maker's Daughter and in Maths we have been focussing on equivalent fractions. On Thursday, we made the world! Well, a playdough version of the Earth which we then cut in half to see all the different layers of the Earth. The children have enjoyed all the different activities during PE as we participated in the Cornwall Virtual School Games. Special mentions this week for Daisy and Stephen. Daisy always gives 100% effort in everything she does and has been working hard on her writing and is applying everything she has learnt from writing conferencing. Her sentence structure and spellings have improved greatly. Steven has also been working hard on his handwriting with Mrs Lewis and I was super impressed with his basketball skills in a challenge that was set. He managed to score 12 baskets in just 2 minutes! Well done to both of you.
- Year 4:** Year 4 have continued to love their Art lessons this week. We focused on developing our skills of using watercolours and colour mixing. Year 4 have also worked really hard on producing a piece of independent writing for their special books that will go with them to Year 5. I have chosen Special Mentions for Amelie, Tyson and Tristan. Their work in their sketchbooks has been super! I can't wait to see them apply their skills.
- Year 5:** We've had a lovely week in Year 5. We've really enjoyed completing the Cornwall School games challenges in PE (although we missed Orienteering!) and all our hard work alongside the Eden project will culminate in a presentation this afternoon. The children have designed their very own Science enquiry and carried it out! Good work Year 5! This week, however, I'd like to give a special mention to Alfi and Ethan. Alfi worked hard in PE and showed super determination, particularly on the bouncing challenge! Ethan has just been wowing us in English! The whole class have made super progress since September, but all of a sudden everything seems to be clicking for Ethan! Keep it up!
- Year 6:** Year 6 have had a great week. We have started rehearsing the end of term production and the children have been really enjoying getting into their different characters.
On Wednesday, we made the trip to Lyme Regis. We had a great presentation from Chris (our guide) and after a fish and chip lunch, spent the afternoon hunting for fossils. We made many discoveries, which they children were able to bring home.
This week there is a whole class award for showing a great attitude and super behaviour and representing the school well.

Golden Tickets

Reception Class:	Amelia for being really helpful washing up paint pots with Miss Chambers.
Year 1:	Roxette for super sentences.
Year 2:	Kloe for super writing in phonics.
Year 3:	Emily for super maths knowledge.
Year 4:	Jenson for getting the most stickers on Miss Tonkin's chart.
Year 5:	Callum for being ready to learn.
Year 6;	Sophie for good maths work.

On Monday, Peter Batt, the Divisional Managing Director (South) of Co-op ran a mile through Roche to raise money for MIND mental health. He is also running a mile through other villages which have a Co-op, right up to London!

We were lucky enough to have one of the many mascots who attended the event pop in and say hi to us!

The aim is to raise £1 million pounds.

Sports Day

Our annual Sports Day will take place next week. We will not be having it on one day, but rather spread throughout the week.

Please make sure next week your child has their kit on ready for their sports activities and they have a large drink too. Your child will need to be wearing sun cream before they come to school. Please provide them with sun cream in their bag they can apply themselves to top up.

Due to the continued restrictions and guidelines, we are unable to invite parents to sports day this year.

Mrs Carlin has just qualified as a 'Trauma and Mental Health Informed School Practitioner'. With this in mind, she would like some toys to be able to put her training into place.

If you have any good quality 'Small World' toys which you could donate to the school, it would be most appreciated. The categories are:

- Transport
- People
- Animals
- Mythical People
- People in professions ie police, ambulance
- Monsters
- Animals
- Buildings
- Furniture
- Outside man-made world ie bridges/fences
- Outside natural world ie trees

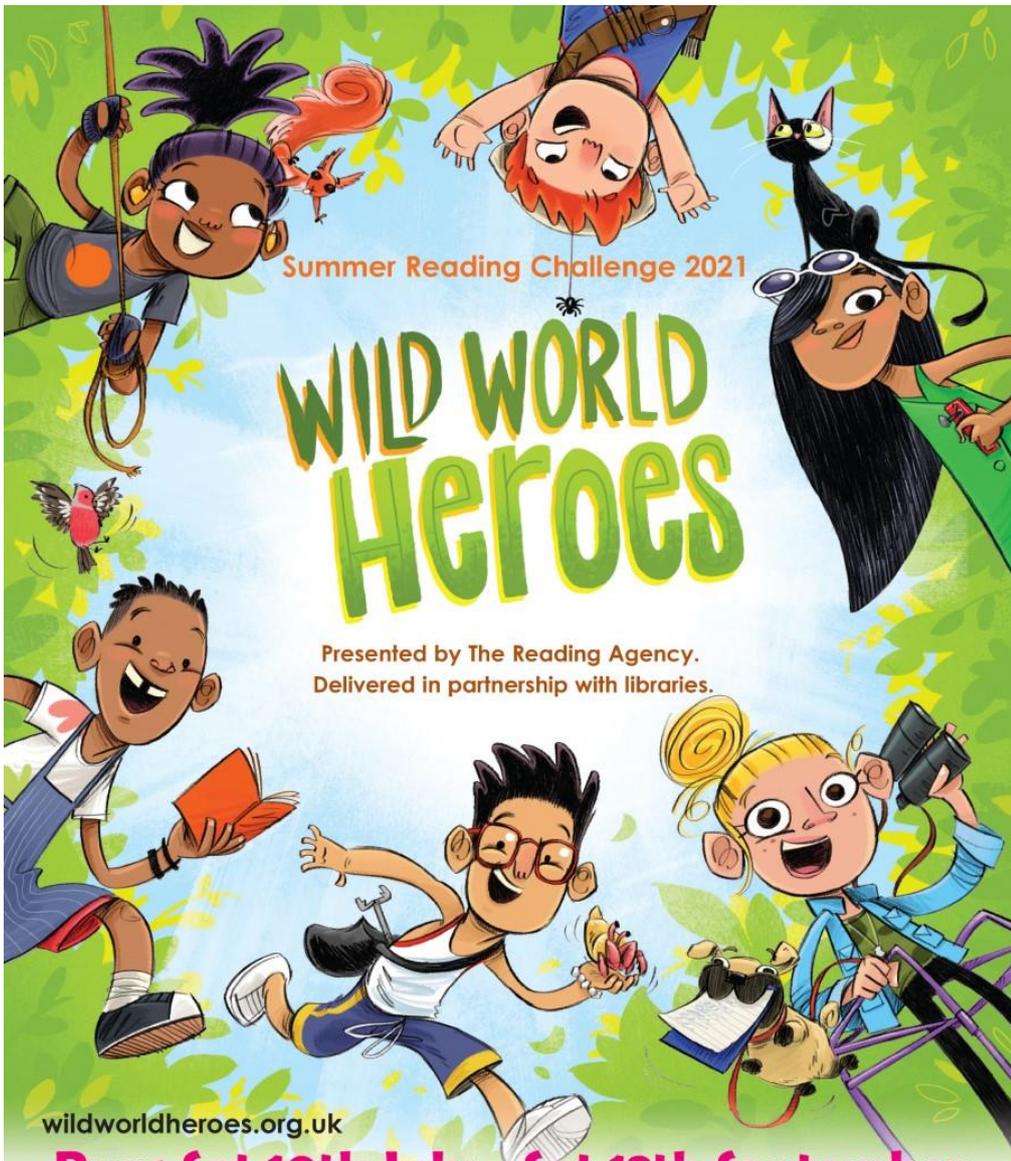

Thank you.

Reusable Bags

Please can your child bring to school a large, named bag to put all of their school work in to bring home by 16th July.

Many thanks.

Runs Sat 10th July - Sat 18th September
FREE to join at St Austell Library and online
Read 6 books to collect 6 Scratch 'n' Sniff stickers & 3 fun prizes!
AND a gold medal and certificate when you complete the challenge!

Summer Reading Challenge

More information has been sent regarding the Summer Reading Challenge for this year via Parent Pay.

Year 4 Magazines

Year 4 need magazines for a project.

If you have any suitable magazines, please pop them in to the office!

Many thanks!

Term Dates

A reminder our last day of term is **Wednesday 21st July**. We finish school at the usual time of 3.15pm.

We return to school on Wednesday 8th September 2021.

Year 6 need your support!

At the end of each year, the Year 6s like to raise some money for charity. Last year, we raised £250 for The British Heart Foundation! This year, we have decided to support The Children's Hospice, Southwest.

Hi, my name is Charlie and I am in Year 6. My Dad (Paul Kent) is doing a 330km sponsored bike ride for Children's Hospice Southwest. The ride is from Bristol to Porthpean over 3 days (9th- 11th July). To support my Dad and this amazing charity, the Year 6s will also be carrying out their own walk/run/ bike ride on Monday 12th July. We would really appreciate it if you could kindly donate to the Just Giving page (link provided) to support this wonderful charity which offers invaluable support to poorly children and their families. Thank you.

Cornwall Virtual School Games

This week the children have been participating in the Cornwall Virtual School games during their PE sessions this week. The children have had so much fun during the sessions.

Well done everyone for their phenomenal effort during the sessions.

More information about the Cornwall Virtual School Games can be found here:

<http://www.activecornwall.org/cornwallschoolgames>

Year 6 had a wonderful time at Lyme Regis on Wednesday fossil hunting!

Well done on your fantastic behaviour and attitude to learning throughout the day.

Thank you to Chris the guide, Vic in the chip shop and Lyme Regis Museum for making the day go so smoothly.
