Special Mentions

- Reception:** This week in Reception I have to give a special mention to all of the Reception children as they were so fantastic at their first ever sports day on Tuesday! They listened to all of the year 6's carefully and had a great attitude when competing. All of the children gave every activity their best effort and they had so much fun! It was brilliant to see, all of the Reception team are so proud of them. Well done!
- Year 1:** We having been learning about Queen Elizabeth I and comparing her to our modern-day Queen Elizabeth II as well as learning about quarters and writing thank you letters to Newquay zoo. My special mentions go to Edward Mims for enthusiastic history learning and India Potter for fabulous letter writing and test results in maths.
- Year 2:** Special Mentions to Rosie for working really hard with her spellings. Rosie has really thought about what to do and trying to improve each day. A Special Mention also to Ruby who has been progressing well in AR. Ruby is doing fantastically well in her quizzes and moving up in her book bands. Well done Rosie and Ruby. A Special Mention also to Bonnie-May for settling into her new class too.
- Year 3:** In Year 3 this week we have been learning lots of different facts about volcanoes; where they are, how they are formed etc. The children have really enjoyed this. I am proud of all of the children this week who have really applied themselves whilst completing lots of assessments. They have approach each assessment with a great mind-set. Special mentions this week go to Holly and Logan. Well done to Holly for showing great self-regulating behaviours and persevering with all her learning and her assessments and Logan for great progress in his reading and Star Reader test. Well done Logan, keep up with the reading over the holidays! Special mentions must also go to Skyla, Louisa, Chloe and Senna who all received a pen licence this week. Well done girls for all your hard work with your handwriting. It has paid off!
- Year 4:** Year 4 have been working hard this week even when they have been tired through watching the semi-finals on Wednesday! We have been really enjoying discussing the Euro's most mornings. We are definitely behind England to win on Sunday!! My Special Mentions this week go to: Jenson and Tyler for their commitment to our daily PE lessons. They always put 100% effort in and are developing their skills. Tilly-Rose for settling into her new class. Dylan for working independently in Art this week. We are really looking forward to our Sports Day this Friday! Thank you to Year 6 for organising.
- Year 5:** Another cracking week in Year 5. Despite being so close to the end of term, the children are continuing to impress me with their writing and have also risen to a last-minute reading challenge! Along with the rest of the school, they've also worked hard on completing their maths assessment papers. Unfortunately, we had rain during one PE session, but some quick thinking from Miss Richards meant we recreated Wimbledon in the classroom with Table Tennis - which caused lots of giggles! And of course, there was lots of chatter about football!
This week, I'd like to give a special mention to Ollie. Not only has he worked hard in maths, but for Science the children researched a life cycle of their choice. They could then present it in a way of their choosing. Ollie chose a poster and it was very creative - well done! We were also very impressed by Jacob G. Jacob G is a great student, who works hard and follows the school rules. This week, however, he has really shone as he has thoroughly enjoyed his lifecycles work, and even stood up and showed everyone in the class.
- Year 6:** Year 6 have had another busy week practising for their play and they are all loving it! We didn't realise we had such great actors in our class!! Year 6 also organised the Reception class Sports Day this week which was brilliant fun. We were so proud of the way the Year 6s led the activities and supported the younger children in the school. This week, we would like to give the special mention Dewi, Jack A and Rory for showing excellent leadership and organisation skills. We even noticed that at the end of each race, they would fall over so the reception children could beat them! They showed real kindness.

Golden Tickets

Reception Class:	Stella for great reading.
Year 1:	Ella for super sentences in Read Write Inc.
Year 2:	Katrina for writing Common Exception Words.
Year 3:	Skyla for 100% on an AR quiz.
Year 4:	Evie for gaining the most stickers on Miss Tonkin's chart.
Year 5:	Lola for great progress towards her target.
Year 6:	Kian for being ready to learn.

Porthpean Camp

The Porthpean Camp is still live on Parent Pay for Years 3 and 4. Please log on (if you haven't already) and confirm your child's place.

If you require any information re payments, please speak or email Mr Walden (head@roche.cornwall.sch.uk).

Year 6 Sponsorship

A reminder that the Year 6 sponsored walk/bike ride/run is on Monday 12th July. If you haven't already, please consider donating to their cause of Children's Hospice South West.

We are supporting Charlie Kent's dad so all donations can go through his page:

<https://www.justgiving.com/fundraising/paul-kent19>

(To open on a laptop ctrl + click)

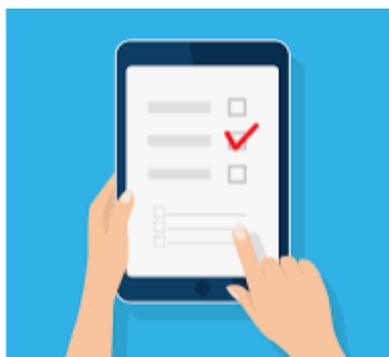

Consent Forms – Year 4, Year 3, Year 2 and Reception Class

A reminder that there are consent forms on Parent Pay for:

Year 4:	Swimming and Porthpean Camp
Year 3:	Beach day and Porthpean Camp
Year 2:	Plymouth Aquarium
Reception Class:	Newquay Aquarium.

Please log on to Parent Pay and complete the consent forms as soon as you are able. All consent forms must be completed at least **two days** before the trip commences. This allows the information to be correlated and signed off by Mr Walden before the trip commences. Porthpean Camp (**Year 3 and 4**) consent needs to be completed by the end of term please.

Thank you for your co-operation.

What's Cooking?

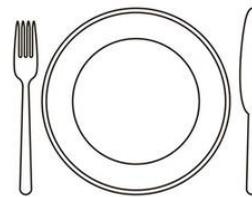

This week Josh enjoyed roast turkey with vegetables. For dessert he had vanilla ice cream and fruit.

Roast turkey is on a 3-week rotation on a Wednesday. The alternative this day was cheesy spinach and potato bake.

The school packed lunch was a ham sandwich and the usual Jacket Potato which is available every day.

School meals are ordered through Parent Pay and a reminder they should be ordered by Sunday at midnight for the following week.

We hope you enjoyed your mid-week roast Josh!

Online Safety Tips

Get help if you see something upsetting.

Sometimes people might post things online that you find upsetting or disturbing. If you've seen something you're worried about, you don't have to cope alone. It can help to:

- Report it to the platform or website, especially if it involves violence or abuse
- Avoid sharing or commenting on it, even if you want to say you disagree
- Talk about what you've seen with an adult you trust

Remember, not everything you see online will be real. But if you're not sure, it's always okay to ask for support.

Remember what you see isn't always real.

People don't always show what their lives are really like on social media. Photos can be staged, airbrushed or filtered. And people only show the parts they want others to see.

Forget about 'likes'.

It can feel important to know how many people have liked or commented on something you've posted. But focusing on it can leave you feeling like you're not good enough. Remember that likes aren't everything, and there are always other ways to build your confidence.

Be nice to other people.

Try posting positive comments to others and not responding to negative comments. Blocking and reporting bullying or abuse when you see it can help you to feel better.

*****DISCOUNTED UNIFORM SALE*****

We have current Price and Buckland brand new uniform for sale at a discount. Please find below which items are available.

If you would like a discounted brand new item of clothing for only £5 per item – please email Mrs Batten on reception@roche.cornwall.sch.uk and your item will be reserved (first come, first served). All items can then be paid through BACS.
